

To Whom It May Concern,

Dear Sir/Madam,

My name is Siu Wai Keung, Kenneth. I have been in the film industry for over 24 years. I was a 2<sup>nd</sup> assistant director, 1<sup>st</sup> assistant director, director and producer for over 120 projects, working with International actors and actresses including Pierce Brosnan, Jackie Chan, Jet Li, Tong Leung, Maggie Cheung, Michelle Yao, Gong Li and Zhang Zi Yi. I was also a long time 1<sup>st</sup> assistant director of the director Wong Kar Wai. I am currently employed as a 1<sup>st</sup> assistant director and co-director and producer of various projects at The Bigfoot Entertainment and International Academy of Film and Television, Inc.

Mr. Jonathan Sidwell was my 2<sup>nd</sup> assistant director in one of the projects "Deep Gold". Mr. Sidwell has a very positive working attitude. He was always on time, and had carried out his duty efficiently. He had demonstrated his utmost ability in the project. His ability was highly efficient in many areas including arranging shooting schedules, handling talents and crew members.

I highly recommend Mr. Sidwell in many areas in the film industry, and in addition, based on his positive personality, I would also recommend him to anyone in the other industries.
