To whom it may concern,

Dear Sir,

Jonathan Sidwell worked as part of my production team at Two Way Media Ltd. He worked specifically on the live show 'Roulette Nation' as a Multi-Skilled Operator. The show is broadcast on Challenge Jackpot, a Virgin Media owned channel and it is also simulcast on Virgin 1 and Bravo 2.

During Jonathan's time at 'Roulette Nation' he worked in a variety of roles including Vision Mixing/Gallery Directing, Camera Operating and Sound Operation.

I found Jonathan to be reliable, punctual and an excellent team player. His commitment to the Production was outstanding often providing last minute shift cover to other members of staff and frequently working unsociable hours.

I would highly recommend Jonathan to any other production company. Should you wish to contact me regarding Jonathan, please do not hesitate to do so.

Yours sincerely,

Sarah Winstanley

Head of Production
